PERTINENT INFORMATION

SIM/522, para 5: dated 1 April 1954, states that according to ☐ Johann Angerer, a GROSSBAHN sub-agent who was dropped in October 1953, is working feverishly in the Salzburg Stapo office making 4 copies of his reports, instead of 3 copies. ☐ believes that Angerer may be handing this fourth copy over to the Blank Office in Bonn. SOB files mention Angerer as a CIC source.

SIM/569 para 5: ☐ believes Angerer is definitely engaged in unidentified intelligence activity, for another service. He has observed that Angerer has recently left his position in the Stapo to go on leave, and that prior to his departure he gave a letter to Rudolf Richter requesting that Richter deliver the letter to one Theo Albert who would mail it to Germany to the following address: Ing. Paul

Muszynski, Frankfurt a/Main 16, Moselstrasse 31. ☐ also analyzed Angerer's financial condition as follows: Angerer receives 1600 AS a month, approximately. From this he spends about 600 AS a month for rent; 200 AS for cigarettes (both he and his wife are heavy smokers); 100 AS for fuel; 200 AS for entertainment (both he and his wife go once or twice a week to the Augustiner Brau at Kloster Mullen, Salzburg); probably 75 AS monthly for utilities. ☐ deems it impossible for Angerer, his wife, and one child, to subsist on the remaining 825 AS from which must be provided food, clothing, miscellaneous household items, transportation costs, schools effects, etc. SOB traces include a GROSSBAHN report dated 10 Sept 51 numbered P/03287 in which Angerer is mentioned as engaged in IS activities for both Richard Kauder-Klatt and CIC agent Rolf Ringer.
